TRADITIONAL

ORNATE & ELEGENT

Lavish your living space with elegance and delicacy. These well-defined patterns are inspired by classic Old World design. Our traditional door styles boast refined details, carefully carved and produced with our diverse line of natural wood species.

#82 - Yosemite Square

#111 - 2 1/2" San Savio Rose

#55 - San Marino Rose

#47 - Manhattan

#80 - 3" Ellen

TRANSITIONAL

AN INNOVATIVE BLEND

For those that find the traditional style to be prim or stuffy, and the modern design to lean too heavily on simplicity, transitional design gives them the best of both worlds, sampling elements from each aesthetic to form an equally classic and fresh feel.

Minimalism without compromise on character and personality.

#72 - Brentwood
1/2" Mini Rose

#81 - 2 1/2" San Savio

CONTEMPORARY

MODERN REFINEMENT

The Aries door is our most versatile. Customize this flat panel with our varied selection of complex patterns or minimalistic sheens. Our collection of contemporary materials—ranging from super-saturated modern tones to earthier hues and textures—makes the Aries door a solid choice for any project.

With selections including matte, high gloss, and organic wooden textures, the Aries can do it all.
